First Aid/CPR/AED certification training

Would you like to be prepared for an emergency in any setting?

See3D, Inc. is sponsoring First Aid/CPR/AED certification training through the American Heart Association, Saturday, November 7th 2:00 - 4:00 PM during the 79th Annual State Convention of the NFB of Ohio.

The course will teach:

- First aid basics
- Medical emergencies
- Injury emergencies
- Environmental emergencies
- Preventing illness and injury
- Adult CPR and AED use
- Opioid-associated life-threatening emergencies

You will be certified for two years in these life saving skills. Costs \$10 per person to reserve your spot. Space is limited. Sign up now when you Pre-register online!

Material workbooks, that review the training, will be available in braille, audio and standard print for \$3 after the course.

The AHA's Heartsaver First Aid CPR AED course trains participants to provide first aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner. Reflects science and education from the *American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care (ECC)*.

Please join See3D at this training as we work together to spread awareness of the importance of accessible materials and independent living skills.

Any questions please contact Susan at info@See3D.org or 513-503-690
